Sir,

Subject - Reconstitution of Davangere Municipal Council from 1st July 1941

******

1) Adverting to Government Notification No L 9017-Il 115-40-3 dated the 26th June 1941 regarding the Davangere Town Municipal Council for a term of three years from 1st July 1941, I have the honour to state that the term of the existing Council expires by the end of the current month. The General Election for the reconstitution of the Council was held on the 31st May 1944 and the result of election is embodied in the statement enclosed herewith.

2) Out of the three seats available for nomination, Mahomedan community which is not represented in election has a population of 5,931 against the total population of 31,759 of the town, that is more than one-fifth. In consideration of this proportion, at least three seats on the Council have to be allotted to the Muslims. But as only three seats are available it would perhaps be equitable to set apart two for the Muslim community. In fact two seats are being occupied by the community for over fifteen years. In this connection I may state that Messrs Jagalur Abdul Khader Sab and Bellary Mahomed Khasim Sab have been on the Council for over three terms and there is a feeling in the community that other people among them are not given a chance to work on the Council. It is true that the two seats have been monopolised by the above two gentlemen, for over three terms. Only three people Mr Bellary Mahomed Khasim Sab, Mr J Abdul Rahman son of J Mahomed Chuse and Mr R Hassan Miya have applied for nomination. As Mr Hassan Miya is stated to be a Municipal contractor Mr Bellary Mohamed Khasim Sab and Mr J Abdul Rahman may kindly be nominated though Mr J Abdul Rahman had contested in the election

election and has failed

3) As regards the other seat, Mr Collarghalli Venkatappa son of C Basappa is suitable for being nominated to represent the interests of the depressed classes of Davangere town He is a - Vaddar by caste It is understood that though there is a fairly large number of Adikarnatakas and Vaddars, their case has somehow not been taken into consideration for a long time and it would therefore b justifiable to allow one seat to the Depressed Classes

4) In this connection kind reference is invited to letter No I 3750-61/41 162-43-2, dated the 27th September 1943 from the Secretary to Government, Law Department, forwarding a copy of the resolution of Labour Welfare Board and directing that provision be made for the special representation of labour in Industrial towns Davangere is classified as an Industrial town in the District and provision has to be made for representation of labour interests on the Council As almost all the industrial concerns of the to n are managed by the Lingayats and Vaisyas of the town and as six lingayats and 2 Vaisyas have come out successful in the recent elections, it is a matter for consideration if those already elected to the Council, cannot guard the interests of labour But if Government should consider that a person should be exclusively nominated from among the labour concerns, I propose that Mr Chigateri Murgappa, proprietor of Sivayogendra Oil Mills, Davangere may be nominated for the purpose in preference to the proposal made in respect of the Depressed Class

5) It would not be out of place for me to mention that Davangere is such an important town in the State and is growing day by day In fact, as Government is fully aware, there is a proposal to convert it xx into a City Municipality after the cessation of the war The interests of women in such an important town have not been taken into consideration during the last constitution of the Council I think at least some of the Municipalities, like Davangere and Chitaldrug should have at least a lady Councillor to represent women's interests If Government should approve the above proposal, I recommend that Government may be pleased to nominate Mrs Sankaramma-Siddappa, wife of Dr B Siddappa of Davangere town as a member of the

the Council to be reconstituted from 1st July 1944.

6) I am, however, finally of opinion that the above proposals for nomination in respect of the Mahommedan community and the Depressed Class may kindly be approved by Government

7) As regards Ex-officio members, the Assistant Engineer of Davangere Sub Division and the Assistant Surgeon in charge of the Local Fund Hospital may kindly be con inued as such on the Council to be reconstituted from 1st July 1944

8) As the term of the existing Council is due to expire by the end of this month, the favour of early orders of Government is solicited

I have the honour to be,

Sir,

Your most obedient servant,

Deputy Commissioner,
Chitaldrug District
